

Lot 28

Redwood x Pure Light, by Encosta de Lago Filly

Prepared by Debbie Sweeney

Type

A lovely staying type of filly. She feels like she has never been asked for her full potential in galloping yet. She has coped with everything asked of her and has a great nature with a lovely long stride when going freely.

Will probably run a lot earlier than most Redwoods and make a nice 3YO type.

Appetite

She loves her food and ate up after her breeze up.

Breeze Up Jockey

Lynsey Satherley \ “I really like this filly, she can run.”
