**Telperion x Madam Butterfly,
by Commands Filly**

Prepared by Debbie Sweeney

Type

This filly has a lovely attitude and aims to please. She has improved so much in the last few months of her preparation. Going to be a beautiful three-year-old type. She is an absolute pleasure to do anything with.

Appetite

She left a little bit of feed after her breeze up but bounced back quickly.

Breeze Up Jockey

Craig Grylls \ “She was the nicest type of filly he rode on the first day. I love everything about her - a filly that will go places!.”
