Tarzino x Readyor by More Than Ready Colt

Prepared by Annabelle Johnson

Trainer Comment

This horse is a good looking, nice bodied colt who has been lovely to work with. He is a very well mannered horse to ride and works nicely on the bit in a good frame and is very professional. He loves his feed and is always looking for more.

He was very well behaved at the Breeze Ups and breezed up well and not fazed by his day out he went home and ate up that night. He did pull up very shin sore. Jockey Danielle Johnson said "I like this colt, having previously had a ride on him it was a pity he was feeling his shins."
