

Lot 78

Telperion x Stolen Princess, by Jade Robbery Filly

Prepared by Katrina & Simon Alexander

Type	A lovely well-grown and well-built filly who is very mature for her age. She has a deep barrel and a good top line with natural strength, well balanced and a good walk.
Temperament	A fairly laid back filly that is quiet and settled around the stable. She is easy to work with and very settled in the box. Very trainable.
Work ethic	This filly has a good attitude to her work and is a lovely forward moving horse that sits nicely in the bridle giving the feel of strength and maturity. She feels more like a three-year-old and will mature into a lovely staying type - the type of staying filling that you would like to develop through the grades.
Appetite	Generally a good eater who holds condition well.
Breeze Up	Delivered a strong, well held gallop. I [Katrina] believe she could have presented a better time if she had been allowed to roll into her gallop earlier, she hit the line well though without getting off the bridle.
Jockey	Sam Weatherley \ “Very nice filly with a promising future. Will make a nice staying type but still shows strength now.”
Post Breeze Up	Pulled up well, no shin soreness or joint issues but has done a lot of lying down. Has remained settled and easy to work with.
