2022 BREEZE UP MEDIA INFORMATION

NZB is pleased to invite all prospective buyers, media and other industry personnel to attend its action-packed Breeze Ups at Te Rapa Racecourse. If you require any specific information not covered in this Media Kit, contact Emma Thompson by emailing emma.thompson@nzb.co.nz or calling **+64 21 071 2929**.

1 BREEZE UP CLIPS & PARADE FOOTAGE

COVID-19 was the catalyst for NZB to lengthen their traditional Breeze Up clip format, which now includes additional footage near the 600 metre mark capturing horses before they fully extend into their gallop. NZB also films the mounting yard at Te Rapa, providing footage of all two-year-olds being paraded prior to their Breeze Up. The full Breeze Ups clips and parade footage will be made available for viewing on NZB's website by Friday 21 October, as well as streamed on Trackside in New Zealand, plus Sky Racing and Racing.com in Australia.

3 MEDIA ACCREDITATION

NZB is able to grant media accreditation for the 2022 Ready to Run Sale Breeze Ups. Contact emma.thompson@nzb.co.nz if you would like to receive media accreditation for the event.

2 BREEZE UP INTERVIEWS & HIGHLIGHTS

This year NZB will publish Breeze Up interview content and highlights to nzb.co.nz and its social media channels. Hosted by NZB's Client and Public Relations Manager Jessie Gower, highlights will be taken throughout the day with key 2022 Ready to Run Sale vendors and buyers, ensuring no action is missed at the Te Rapa gallops.

4 READY TO RUN BREEZE UP RESULTS

Sign up for our e-news on the homepage of the NZB website to receive all Breeze Up statistics and highlights. The results will be updated on the NZB website throughout both days of the gallops. **Follow us on Twitter (@KarakaChat), Facebook (www.facebook.com/New Zealand Bloodstock) and Instagram (KarakaChat).**

Breeze Ups

NZB's Breeze Ups are a vital part of the two-year-old sale process, with all lots having the opportunity to gallop prior to entering the auction ring, whilst being timed and filmed.

Commencing at 10am (NZT) on Monday 17 & Tuesday 18 October 2022 at Te Rapa Racecourse, all two-year-olds entered in the Sale will breeze on the same turf track over two consecutive days.

NZB's Ready to Run Sale is the only two-year-old auction in the Southern Hemisphere that conducts its Breeze Ups solely on a turf surface, a favoured preference amongst buyers.

This year NZB will implement an anemometer, used to determine the force and direction of the wind throughout the day. This reading will be displayed on the NZB website against each juvenile's Breeze Up.

Penetrometer readings are also taken on both days, allowing for fairer analysis of the data collated, as well as greater accuracy.

CONSISTENT MEASURES

For a fair comparison of data

The most consistent and comparable Breeze Ups, with all two-year-olds breezing on the same turf track at Te Rapa Racecourse over two consecutive days.

To ensure the integrity of NZB's Ready to Run Sale, all horses have a blood sample taken immediately after breezing up.

EXTENDED VISION

Breeze Up and Parade Ring footage

All breeze ups are recorded in high definition from the home corner (around the 600 metre mark) to past the winning post.

Parade Ring vision of lots mounted pre-breeze up will also be taken to give buyers a 360 degree view of each horse at the Breeze Ups - from entering the mounting yard to galloping down the home straight.

DETAILED RECORDINGS

Independently verified for accuracy

Horses will be individually timed and may breeze up in pairs or on their own at the discretion of the consignor.

Various details will be recorded and independently verified including multiple timings for accuracy, penetrometer and anemometer readings of the track each day and an outline of weather conditions for each breeze up.

ANALYSE & COMPARE

View clips and data online

All measurements including times, track conditions and weather can be easily viewed and compared from the NZB website, or downloaded within the Sale Info section.

All video clips including Breeze Up and Parade Ring footage, will be available to view online just days after breeze ups, and can be downloaded or shared for further analysis.

2021 READY TO RUN SALE HIGHLIGHTS

NZB's 2021 Ready to Run Sale of Two-Year-Olds was held under exceptional circumstances as a virtual event at Te Rapa Racecourse.

- NZB's turnover of more than \$20 million was 17% more than both Australian competitor sales' gross combined.
- Demand for NZB stock skyrocketed with international buyers accounting for 67% of the catalogue, while domestic buyers were also strong, outlaying 28% of the sale gross.
- NZB's record average at the 2021 Sale was a clear 33% more than both Australian competitor sales' averages combined.
- The 2021 median settled at \$80,000 and the overall clearance rate climbed to 72%.
