QUALIFYING GRADUATES

- A Qualifying Graduate is:
 - Any horse sold through the ring at a Yearling Sale Session or NZB National Weanling Sale Session; and
 - Any horse passed through the ring at a Yearling Sale Session which is sold within 30 days at no less than the passed-in amount full commission is paid to NZB in accordance with the applicable Conditions of Sale at each Yearling Sale.
- A Qualifying Graduate may be entered for the Karaka Million Series upon payment in full of the purchase price and the Entry Fee in respect of that horse in accordance with these Conditions of Entry.
- The entry deadline for a Qualifying Graduate to be entered for the Karaka Million Series is:
 - Book 1 and 2 Sale - 5pm on Monday 5 March 2023
 - National Online Yearling Sale - 5pm Friday 19 May 2023
 - National Weanling Sale - 5pm on Monday 17 July 2023
- Any horse may be withdrawn from the Karaka Million Series without penalty before the Entry Deadline.
- All entries and withdrawals of horses for the Karaka Million Series must be notified to NZB in writing.
- The Person(s) who entered any horse not withdrawn by the Entry Deadline shall immediately become liable to pay the Entry Fee in accordance with Clause 7.
- An entry fee of NZ\$3,000 plus GST must be received by NZB in full by:
 - Book 1 and 2 Sale - 5pm on Friday 28 April 2023
 - National Online Yearling Sale - 5pm Friday 30 June 2023
 - National Weanling Sale - 5pm on Thursday 31 August 2023

For the avoidance of doubt, all horses entered shall immediately cease to be eligible for the Karaka Million Series if an Entry Fee has not been received by this deadline, however the person(s) who entered the horse remains liable to NZB for the amount of the Entry Fee.

NOMINATIONS & ACCEPTANCES

- An Eligible Horse may be nominated and accepted for either the Karaka Million 2YO and/or the Karaka Million 3YO Classic and/or the CollinsonForex Karaka Cup upon payment of usual nomination and acceptance fees to NZTR in the manner and within the deadlines prescribed by NZTR, such deadlines to be advertised in the applicable NZTR publication.
- The final field will be limited to a maximum number of starters as determined by the Auckland Racing Club.
- The Karaka Million 2YO Order of Entry is determined by prizemoney won at the time of nomination. In the event that the number of final acceptors for the Karaka Million 2YO exceeds the maximum permitted number of starters, elimination will be according to the gross value of prizemoney won by each acceptor as advised by NZTR. Any additional prize money contributed above the stake advertised in the NZTR monthly programme shall not be included in determining the prizemoney won by any horse. In the event of equal prizemoney won, elimination will by lot draw in the presence of the Racing Integrity Unit to determine final field and the order of ballots, if applicable.
- The Karaka Million 3YO Classic Order of Entry is determined by handicap rating at the time of nomination. In the event that the number of final acceptors for the Karaka 3YO Classic exceeds the maximum permitted number of starters, elimination will be according to the handicap rating for each acceptor as advised by NZTR. In the event of equal handicap ratings, an NZTR Handicapper will split those with equal ratings.
- Any prizemoney earned overseas will be converted to NZ dollars at the exchange rate to two decimal places as published by CollinsonForex on each day of the respective race.
- In the event that the Acceptance Fee has been paid in respect of any horse that does not secure a start in the Karaka Million due to the conditions of the ballot, the Acceptance Fee only will be refunded by NZTR.
