Health & Safety Notice to All Persons Attending the Breeze Ups at Te Rapa Racecourse

New Zealand Bloodstock Ltd have a general duty to take steps in so far as reasonably practicable to ensure the safety of others while attending the Breeze Ups. All persons entering the Te Rapa Racecourse are warned that horses are moving about the property. It is a condition of admission to this property that all persons must strictly adhere to the following rules to ensure their safety and that of those around them:-

Horses

- Where practicable, maintain a recommended minimum safe distance of 5 metres from a horse.
- Do not attempt to touch or inspect any horse without the permission and presence of the horse's handler.
- Horses have right of way. Obey any instruction or request given by the handler of a horse moving through your vicinity. Don't position yourself where you create an impediment to or are blocking the movement of horses.
- The Tie-up Stalls, Stables and Parade Ring are designated "Restricted Areas". Access to these areas are limited to those persons directly involved with the handling, preparation, riding, marshalling and blood testing of the horses. These are non-pedestrian areas. Do not enter.

Any person entering the complex does so at their own risk.

Follow instructions, obey all rules and signs posted about the complex. You must comply with instructions and directions given by staff or persons acting in an official capacity. If you are unsure, please do not continue and seek advice from a member of our staff.

Children under the age of 14 must be accompanied by a responsible adult at all times. No prams are allowed in the Restricted Areas.

All visitors must park their vehicles in the designated car parking areas or where instructed to do so by persons acting in an official capacity. You must adhere to the speed limit of 10kph.

The complex is equipped with fire alarm systems. A CONTINUOUS sounding alarm indicates that you are to evacuate the building immediately by the nearest exit. Once outside the building, assemble with others at the assembly point situated on the **lawn area behind Grandstand**. Wait for instruction from the emergency warden. Do not try to re-enter the building until the All Clear has been given.

If an earthquake occurs, shelter under a desk, bench or table or stand in a doorway, and hold on. When the shaking stops do not go outside - wait for instruction from the emergency warden.

The complex has a strict 'No Smoking' policy in all buildings.

If you have an accident on the complex, please report it immediately to a marshal who will ensure that First Aid is made available and that the accident reporting procedures are followed.

If you see something hazardous, any condition or practice you think might cause injury or an accident, report it.

Dogs and other pets are not permitted on the complex.

- Breeze Ups continue on Tuesday 17 October from 10:00am sharp.
- **Heats 92 to 178 will be conducted on Tuesday.**

- Each horse will wear a saddlecloth carrying its Lot number to help identify it.

- Heats may differ on the day, from those published. Any changes will be announced on course.
- **Please note that we will not be using the front Birdcage area at all and request that this area be kept clear at all times, so as not to distract the horses as they are breezing up the straight.**
