Please note that the Conditions of Entry for the 2016 National Weanling, Broodmare & Mixed Bloodstock sale shall apply to the 2016 National Weanling, Broodmare & Mixed Bloodstock sale ("the Sale"). The following additional Conditions shall also apply:

1. CRYPTORCHIDS - Excluding weanlings or yearlings should any horse described as a colt be a Cryptorchid (rig) this must be disclosed by the Vendor to the Auctioneer prior to the auction of that lot and the fact will be announced at the time of sale. Should any horse be found to be a Cryptorchid (rig) within seven days of the sale of that lot (time being of the essence), and such fact was not disclosed at time of sale, then the Purchaser shall immediately notify the Auctioneer and provide, at his own expense, a veterinarian's certificate signed by a veterinary surgeon nominated by the Auctioneer certifying that the horse is a cryptorchid, the Purchaser may cancel the sale. The horse shall then be delivered to the Vendor's farm at the Vendor's expense.
2. AGED MARES – Broodmares aged 20 years and older that are not in foal are not eligible for entry in the Sale.
3. PREGNANCY TESTS - Where applicable Vendors are reminded to provide a pregnancy certificate displaying the result of a valid pregnancy test taken no earlier than seven days prior to the date of the Sale. Where a positive test is given prior to the sale the Purchaser may, at his own expense, have the mare manually examined before it leaves the sale area and within 24 hours of the fall of hammer. In the event of the mare being proved not in foal the sale is null and void and the Vendor in this case pays the cost of the re-examination. The horse shall then be delivered to the Vendor's farm at the Vendor's expense.
