

Online Bidding Platform

With the upgrade to ultra-fast fibre at Karaka and developments in technology, we can now offer online bidding services for all registered buyers who are unable to physically attend our auctions.

Visit bidonline.nzb.co.nz and ensure you are registered and verified 24 hours prior to the Sale. Follow the steps to register, sign in and bid. Should you require any assistance, contact support@nzb.co.nz or call +64 9 298 0055.

For those that are already registered and/or have previously purchased on the platform, you must still register for the Sale however the process is very simple.

Simply login to your existing account on bidonline.nzb.co.nz - you will be sent directly to a registration page for the National Weanling Sale where all you need to enter is your intended spend for the Sale, terms and method of payment, plus accepting the usual NZB Terms and Conditions. Once you have filled in those three required fields and submitted your registration, you will be set up for bidding via the platform again.
