The 2016 Ready to Run Sale will offer a voluntary Repository in which Vendors may, at their discretion, place pre-Sale x-rays and other stipulated information.

Use of the Repository will be voluntary but, if used, will be subject to the terms, conditions and procedures relating to the Repository as set out by the Auctioneer prior to sale (known as the Repository Terms, Conditions and Procedures).

The maintenance of the Repository shall not change any of the Auctioneer's Conditions of Sale but shall provide an opportunity to facilitate inspection of horses by buyers prior to sale.

We draw Vendors' attention to Clause 20 of the Conditions of Sale regarding information required to be lodged in the Repository at this Sale.

New Zealand Bloodstock, with input from expert veterinarians, has determined that participation by vendors in the X-ray Repository will require a minimum of 36 x-rays as per the prescribed protocol.

Buyers please note that only licensed veterinarians will be able to register to view x-rays in the Repository.

Each buyer, as per the Conditions of Sale and elsewhere, accepts that any horse is purchased with all defects except those covered by the limited warranties expressed in the Auctioneer's Conditions of Sale. Buyers are charged with knowledge of any defect that is or should be revealed from the Repository Information.

BUYERS AND VENDORS - Please refer to the Conditions of Sale as printed herein and to the Repository Terms, Conditions and Procedures as made available by New Zealand Bloodstock.

For a copy of the Repository Terms, Conditions and Procedures or for further information, please email james.jennings@nzb.co.nz.
