2018 Ready to Run Sale Special Edition - Welcome

The catalogue assembled for this year's Ready to Run Sale is fantastic, so we look forward to welcoming buyers to Karaka to view a great line up of horses.

The quality of two-year-olds continues to improve each year with breeders, vendors and preparers targeting this Sale with some of their best horses, and in such a professional manner.

With each racing season that goes by, a new wave of talented graduates hit the racetracks and a consistently high stream of stakes winners are uncovered. In the past five seasons there have been 117 stakes wins in the main racing jurisdictions of New Zealand, Australia, Hong Kong, Singapore and Macau. Even more impressively, there have been 17 Group One wins by 11 individual horses.

These results really do speak for themselves and I don't think anyone would argue that NZB's Ready to Run Sale is the most successful sale of its kind in Australasia.

Last season we saw Vin de Dance join the Group One honour roll with his first black-type win in the \$1 million New Zealand Derby. He was the third graduate of the Sale to triumph in the feature in the last four years with Gingernuts and Mongolian Khan claiming the title in 2017 and 2015 respectively.

Our small country is renowned for big success in the classic races and the Derby success from the Sale has been very prominent on both sides

of the Tasman and even as far as Singapore. Mongolian Khan completed a Derby double in New Zealand and Australia while Well Done made headlines when he gunned down the field to win the Singapore Derby – a race that saw graduates of the Karaka sale ring finish second, third and fourth as well.

International buyers have long recognised the impressive feats of the Sale and mark it as one not to be missed on the calendar. We have seen the strength of the buying bench come out each year and continue to break our own records and those of Australasia. In 2017 we set the highest ever recorded average at an Australasian two-year-old sale and surpassed the \$30 million mark for the first time in history closing at \$31,215,000.

It is great to see the faith we have put into the Sale and the quality of horses offered by our vendors rewarded. This high standard of professionalism is what buyers from all around the world respect and history shows that there are Group One winners to be found at the Sale.

We have an optimal size catalogue of 445 two-year-olds set to be auctioned in November. The quality of pedigrees and types on offer is second to none, while the Breeze Ups at Te Rapa are being hailed as the best on record.

We look forward to seeing you at Karaka on 21 & 22 November to source your next selection of racetrack stars.

Karaka Ready to Run Sale true to its label

Proven record combines with sire power and expert preparation

Dual Derby and Caulfield Cup winner Mongolian Khan is one of many headline graduates from the Karaka Ready to Run Sale.

A Group One tally of 17 in the past five years is a remarkable statistic, one that says everything about the quality that has come through the New Zealand Bloodstock Ready to Run Sale.

When Lot 1, Woburn Farm's Shamexpress-Eagle's Reach colt, enters the Karaka auditorium at 11am on November 21, the buying bench will have again reached the serious part of a sale that has delivered an exceptional number of high-class gallopers to Australasian and Asian racing.

Transtasman Derby success followed by a Caulfield Cup victory makes Mongolian Khan one of the standout success stories of the Ready to Run Sale, but the dual New Zealand Horse of the Year is by no means alone.

Earlier this year Vin De Dance became the third New Zealand Derby winner to graduate from the Ready to Run ring in four years. The second of those was Gingernuts, who took his Derby form to Rosehill and added another Group One victory as a spring four-year-old.

Turn Me Loose is another excellent example, winning Group One races on both sides of the Tasman and, like Mongolian Khan, now getting his full opportunity at stud.

Further afield major winners in Hong Kong and Singapore have likewise been par for the course, additional proof of the faith that international judges each year place in the skills that have gone into selecting and preparing the catalogue, along with the integrity and systems under which they are sold.

Just last weekend 2014 Ready to Run Sale graduate Debt Collector, Singapore's Horse of

the Year in 2016, proved that at six years of age he was still up to winning at Kranji's highest level. A month after claiming his second Raffles Cup, he added the Queen Elizabeth II Cup with perhaps the most commanding performance of his 10-win career.

The Kiwi brand of horsemanship behind preparations for the Ready to Run Sale is

Singapore Horse of the Year Debt Collector is back to his best with feature wins at his last two starts.

underpinned by a catalogue that this year is being described as the best yet. The reigning champion of New Zealand stallion ranks, Savabeel, is well represented by nearly 20 lots, along with the progeny of proven and sought-after sires Tavistock, Iffraaj, Darci Brahma, Makfi, Pins, Pentire, Per Incanto, Redwood, Reliable Man, Rip Van Winkle, Roc de Cambes, Showcasing and Zacinto.

Australian-based ranks also have a strong presence, through headline acts such as Snitzel, Fastnet Rock, Hinchinbrook, Exceed And Excel, Foxwedge, More Than Ready, Not A Single Doubt, Reset, Sebring, Sepoy, Smart Missile, Spirit Of Boom and Written Tycoon.

Nor is that forgetting the up-and-coming brigade, young stallions such as Charm Spirit, Dissident, Dundeel, El Roca, Ocean Park, Pierro, Proisir, Sacred Falls, Shamexpress, Shooting To Win and Zoustar.

Ellis sold on Karaka Ready to Run Sale

For more than a decade Te Akau principal David Ellis has topped the National Yearling Sale buyers' list and now he's stamping his presence on Karaka's other big annual auction, the Ready to Run Sale.

Back in 2015 Ellis bought just two Ready to Run lots, a Savabeel colt for \$230,000 and an Iffraaj gelding for \$42,500. By the end of their three-year-old careers both were Group One winners, the chestnut Iffraaj gelding gaining fame under the quirky name of Gingernuts as the winner of the New Zealand Derby at Ellerslie and the Rosehill Guineas in Sydney, and the Savabeel colt Hall Of Fame winning the Levin Classic at Trentham.

In the meantime Ellis had returned to Karaka in

Ready to Run Sale graduate Te Akau Shark is one of New Zealand's most exciting young galloper.

“It's proven beyond any doubt that it's the best sale of its type anywhere in the world.”

late 2016, raising the ante with 10 Ready to Run purchases at an aggregate of \$1,525,000 and for the first time topping the buyers' table. Amongst his selection was a big chestnut colt by Rip Van Winkle at \$230,000. With scintillating wins at his only two starts this spring, he is now one of our most exciting young gallopers.

At last year's Karaka two-year-old sale Ellis matched his 2016 spend, signing for another 10 lots at a total outlay of \$1,585,000 to again top the bench. Just as he had displayed his liking for the offering in successive years at the National Yearling Sale, he was now sold on the Ready to Run version.

“There's no denying that the New Zealand Bloodstock Ready to Run Sale has a proven track record,” says Ellis as he fine-tunes his approach

to the 2018 auction. “It's proven beyond any doubt that it's the best sale of its type anywhere in the world, which is a testament to the sales company, the quality of the young horses in the catalogue and the expert manner in which they're prepared.

“It takes a special set of skills to bring these young thoroughbreds through the breaking-in and breeze-up processes, then present them at peak condition in the sale-ring, but as the whole equine world recognises, horse-people in New Zealand

are the best.”

Ellis still pinches himself at having taken home two Group One winners from the 2015 Ready to Run Sale, but that doesn't mean he claims all the credit.

“I'm a firm believer in sticking to what you do best, and in the case of selecting the right horse from a sale like the Ready to Run, I call on other people in our organisation,” he explains. “That's where our trainers Mark Walker and Jamie Richards come in, they'll go through all the breeze-up footage, do their homework on the horses they select and get it down to a list to choose from.

“Our stable jockey Opie Bosson is another set of eyes and ideas, he's part of the process too. It's these guys who I rely on to give their insight and help me make the right decisions.”

One point that Ellis needs no enlightening on is the enduring quality of the Ready to Run Sale catalogue, and he rates the 2018 offering as quite possibly the best yet.

“I've been right through the catalogue to enable me to make an initial evaluation and I have to say it's an outstanding collection of young thoroughbreds. All the top stallions from New Zealand and Australia are represented and from previous experience I just know that the people who have selected the individuals will have the right article for the buying bench.

“The hardest part will be competing with some of the best bloodstock judges from around the world for the choicest lots, but that's all part of being involved in an auction like this.

“I'll be buying at Karaka next month for sure, but just how many and for how much I'm not so certain. Something that I never do is set out to be the biggest buyer, that's something that might happen if I feel the market suits me, but naturally I'm looking forward to adding some more lovely young horses to the Te Akau operation.”

David Ellis is looking forward to taking part in another Ready to Run Sale.

IMAGINE OWNING...

TE AKAU SHARK

Electrifying
winner of 4 from 5
Grp 2 Coupland's Mile
favourite

GINGERNUTS

Another Te Akau
Ready to Run success story
3 x Grp 1 winner
– \$1.22 million in stakes –
purchased for \$42,500

You could have been a proud owner of these head-turners – shares were advertised and snapped up. Te Akau's David Ellis purchased both from the Ready to Run Sale.

We will be back this year in force – hunting out the next Te Akau Shark or Group 1 winners like Gingernuts, Hall of Fame or Singapore Champion Polytrack Horse of the Year Flying Fulton.

All from this sale, all purchased by David Ellis, all trained by our 8x Champion Stable – led by Jamie Richards in NZ and Mark Walker in Singapore.

It's **FUN, EASY** and **AFFORDABLE** to be part of the Te Akau team. Last season Te Akau won 17 Group/ Listed races, including four Group 1's. We went back-to-back in the Karaka Million and won over \$3 million in prize money for our owners.

We will be buying promising horses for every budget at the Ready to Run Sale in November – there will be a share for you!

Enjoy racing (and winning) with Te Akau – deal with us direct – you'll love the experience.

WE CAN'T WAIT TO HEAR FROM YOU

To join our priority list for Ready to Run purchases call David or Karyn now – 07 825 4701 or email karyn@teakauracing.com

Riversley returns to defend leading RTR vendor title

Sam Beatson with one of Riversley Farm's Ready to Run Sale draft, the Stratum-Adria colt.

“We’ve got some pretty good-quality horses, and I really like the range of stallions – first season sires, proven sires.”

After celebrating a landmark Ready to Run Sale result in 2017, Sam Beatson's Riversley Park will return to Karaka this November with another strong draft.

Riversley topped the vendors' list by aggregate last year, selling 22 horses for a total of \$3.425 million. Their average price was \$155,682, and a colt by I Am Invincible was among the five highest prices of the sale at \$370,000.

It was a remarkable result for a vendor whose Ready to Run Sale debut came only two years earlier.

“It was a very good result last year, topping the vendors' list and selling horses at a really good clearance rate as well,” Beatson said. “We were very happy.

“We'd been selling at the Ready to Run Sale for a few years under the name of Beatson Stables, but it was only the third year for Riversley. To get Riversley up to that sort of level so quickly was great.”

The Ohaupo farm will be represented this year by another bumper draft of 29 two-year-olds. In addition to quantity, Beatson believes that the Riversley Park draft also offers quality and variety.

“I'm happy with how it's shaping up,” he said. “We've got some pretty good-quality horses, and I really like the range of stallions – first season sires, proven sires and everything in between.

“We're selling some horses who look like real two-year-old types, plus some who look like they'll be good milers, and even some stayers. It's a good mix and we're hoping the buyers will find plenty to like.”

The young sires in Riversley's draft include The Brothers War, Declaration Of War, Deep Field and Sidestep, who sit alongside familiar names such as Savabeel, Per Incanto, Written Tycoon, Tavistock, More Than Ready, Exceed And Excel, Sebring and Swiss Ace.

Lot 23, by Star Witness, comes from the family of the well-performed Sydney sprinter Rain Affair. Riversley will offer a Savabeel colt as Lot 50. Out of the twice-winning Pins mare Heyday, the colt is closely related to the Group One winners Sixty Seconds, Legs and Xtravagant.

Lot 91 is a Burgundy colt out of the Casual Lies mare Lady Winifred, who is the dam of three winners including the dual Group One placegetter Sully and multiple stakes placegetter Deedee Panache.

By the stakes-winning War Front stallion The Brothers War, Lot 144 is a son of the Snitzel mare Miss Cacciatore – dam of stakes placegetter Casa de Lago, and half-sister to multiple Singapore stakes winner Lim's Objective.

Stakes-winning mare Sapphire Belle is the dam of Lot 230, an Ocean Park colt. Sapphire Belle is already the dam of three winners from four foals to race, headed by the multiple Australian stakes winner Merion.

Lot 246 is a Sebring colt who comes from one of the Aga Khan's outstanding thoroughbred families. His dam Shanya is a half-sister to the Group One winner Shalanaya.

Lot 345 is by Stratum out of a winning More Than Ready mare, Adria, who is a full-sister to the multiple Group One winner and sire Sebring.

Last year's \$460,000 sale-topper was by Hinchinbrook, who is the sire of Lot 358. The gelding is the first foal out of the winning Shamardal mare Arabian Beauty, from the family of the multiple stakes winners Marchelle Belle and Global Legend.

Lot 400, a colt by Burgundy out of the Casual Lies mare Celtic Dream, is a half-brother to Won Won Too (Tavistock), who has been a stakes winner in Melbourne this year.

Cataldo counting down to another quality Ready to Run Sale

After a year of rewarding racetrack results and some highly favourable inspections, respected bloodstock agent Phill Cataldo is eagerly awaiting the 2018 Ready to Run Sale at Karaka.

Cataldo's honour roll features more than 20 individual Group One winners, most recently the 2018 New Zealand Derby hero Vin De Dance. He bought the son of Roc De Cambes for \$70,000 at the 2016 edition of this sale.

"I've enjoyed some good success with horses out of this sale over the years, and obviously Vin De Dance was a real highlight," Cataldo said.

Noted bloodstock judge Phill Cataldo rates the 2018 Ready to Run Sale catalogue as the best ever.

"I'd have to say that, overall, it's the most impressive group of horses I've seen assembled for this sale."

"I've always been a fan of Roc De Cambes, and I've done a lot of work with the Muollo family over the years. Luigi Muollo was the vendor of Vin De Dance, and when I bought the horse for my long-time clients OTI Racing, he was keen to stay involved. They fit together nicely, and the New Zealand Derby win was a special result."

Another of Cataldo's Ready to Run purchases is the \$40,000 recruit

She's Poppy, who has stepped up to stakes level in 2018 with wins in the Gr. 3 Boehringer Ingelheim 1550 and Listed Rangitikei Gold Cup along with placings in the Gr. 3 Winter Cup and Listed Ag Challenge Stakes. She has earned \$214,595 in prize-money for Wanganui owner-trainer Raymond Connors – more than five times her purchase price at the 2013 sale.

These successes, combined with

the Group One heroics by the likes of Gingernuts, Turn Me Loose and Mongolian Khan, have convinced Cataldo of the value of the Ready to Run Sale. Incidentally, Cataldo bought Gingernuts for \$5,000 as a weanling.

"The results from this sale in the last few years speak for themselves," he said. "It's a sale that's gathered a lot of momentum in recent times

and it's become very attractive for a lot of buyers.

"It attracts a very good buying bench every year from Australasia and Asia, and New Zealand Bloodstock have done a very good job of developing it."

Cataldo will return to Karaka next month to act on behalf of multiple clients, and he says his criteria vary depending on the market he buys for.

"It all depends which market the horse will be going to – for Australian buyers I'll be looking for some good staying types, while Asia will be all about the sprinter-milers with a bit of speed," he said.

After inspecting the majority of the 445 horses catalogued, Cataldo gave a rave review to the 2018 edition of the Ready to Run Sale.

"I've looked at a lot of horses over the last few weeks and months, nearly the whole catalogue, and I've been really impressed," he said.

"To me, the overall quality of the horses this year is higher than I've seen in any previous year. There are a number of really fantastic colts, and a few very good fillies as well who are going to have obvious appeal.

"I'd have to say that, overall, it's the most impressive group of horses I've seen assembled for this sale."

Phill Cataldo selected New Zealand Derby winner Vin De Dance (left) from the 2016 Ready to Run Sale.

Familiar names again in the RTR action

Kilgravin Lodge and Lyndhurst Farm, two of the most familiar names on the vendors' list over the years, will be prominent again with impressive drafts for the 2018 NZB Ready to Run Sale.

As well as that familiar ring, both sales prep operations have had huge success as vendors supplying quality thoroughbreds to an international market. Mark and Shelley Trewick of Lyndhurst Farm are renowned well beyond their Cambridge base for the skills they have utilised in selecting and presenting their annual Ready to Run draft.

Although their 13-horse offering is significantly smaller than in previous years, the one thing that is not lacking is quality. Leading Australian-based stallions dominate Lyndhurst's all-colt group, with progeny by Snitzel, Hinchinbrook, Pierro, Star Witness, Choisir, Smart Missile, Dawn Approach, Spirit Of Boom, Brazen Beau and Real Saga.

The New Zealand flavour is restricted to two of our most promising younger stallions, Zacinto and Highly Recommended, whose rise to prominence precipitated relocation for both earlier this year from Canterbury to the Waikato.

Pedigrees of note in the Lyndhurst draft include Lot 59, the Smart Missile colt from the winning High Chaparral mare Hypernova, whose second dam Calera won the Gr. 2 Wakeful Stakes and became a very successful producer, most notably of the Caulfield Cup winner Imposera.

Lyndhurst's Lot 219 is by champion two-year-old and now successful young sire Pierro from the Rock of Gibraltar mare Rock Success, whose half-brother Sea Siren won the Gr. 1 Manikato Stakes, BTC Cup and Doomben 10,000.

Lot 285, by the late lamented Hinchinbrook, is out of the multiple winning More Than Ready mare Sweet Talkin Woman, whose second dam is the influential Cambridge Stud broodmare Tricia Ann.

Kilgravin Farm principal Eion Kemp took a well-deserved break from his busy Matamata farm during the year to participate in the world's longest horse-race, Mongolian Derby. He was a man on a mission, raising funds for the Catwalk Trust, but since completing the challenging trek and returning home in August, his focus has been a 30-strong Ready to Run Sale draft.

Stallions represented in the Kilgravin offering include local champion Savabeel and his former Waikato Stud associate Pins, Tavistock, Pentire, Showcasing, Makfi, Darci Brahma and Per Incanto, along with leading Australian sires Exceed And Excel and Written Tycoon and younger brigade members Shamexpress, Ocean Park, Dissident, Wandjina, Proisir, Sacred Falls, El Roca and Rubick.

Kilgravin Lots 315 and 366, colts by Dissident and Written Tycoon, hit out boldly at the Ready to Run breeze-ups.

Lyndhurst Farm Lots 119 (Zacinto) and 157 (Spirit Of Boom) pictured at the breeze-ups.

CNR PICKERING & PEAKE RDS, CAMBRIDGE

Regal Farm hoping to continue sale-topping habit

Regal Farm's Hinchinbrook-El Ashb colt topped the 2017 Ready to Run Sale at \$430,000.

After producing the sale-topping lot at two of the last five editions of the Ready to Run Sale at Karaka, Cambridge's Regal Farm is hoping for more of the same in 2018.

Regal Farm's first-ever sale-topper came in 2013, when a High Chaparral colt out of Deduction fetched \$430,000.

Twelve months ago, Shane Crawford and Kara Waters' operation struck again. This time they had a Hinchinbrook colt out of El Ashb, which was sold to Hong Kong for \$460,000.

"It was a thrill to have the sale-topper again last year," Crawford said. "It was a really good result."

"Hinchinbrook lightning could strike again for Regal Farm, with the sought-after Australian sire again featuring among their 20-strong draft.

Hinchinbrook lightning could strike again for Regal Farm, with the sought-after Australian sire again featuring among their 20-strong draft. The demand for them is only added to by the tragic death in July of Hinchinbrook, a half-brother to current Australian champion sire Snitzel.

Lot 275 is a colt out of the winning Nuclear Freeze mare Stella's Delight, a half-sister to two stakes winners. Torio's Quest won the Gr. 2 Queensland Guineas and the Magic Millions Guineas, while Bippo No Bogus won at Listed level in Perth and placed in Melbourne's Gr. 2 Sunline Stakes. Stella's Delight is already the dam of the winner Time Stalker.

Sacred Falls, Giant's Steps, Smart Missile, Jimmy Choux, Bullbars, Sweet Orange, Holy Roman Emperor, Dalghar, Reset, Wandjina, Makfi, He's Remarkable, Iffraaj, Snitzel, Zacinto and Sebring are also represented in

Regal Farm's draft.

Lot 353 is one of just two Snitzel two-year-olds in the catalogue. The all-conquering stallion is once again setting a record-breaking pace in Australia this season, having sired Redzel and Trapeze Artist to finish first and second in the A\$13 million Everest at Randwick.

Snitzel has been represented by 45 winners so far in this Australian season, four of them at stakes level, and his combined earnings of A\$11.1 million put him almost A\$7 million ahead of nearest challenger I Am Invincible.

Lot 353 is out of the Dehere mare Angel's Spell, a winning full-sister to the six-time stakes winner Here De Angels. Another full-sibling, Defiant Angel, won eight races and placed at Listed level. Angel's Spell is the dam of one foal to race, Tristan De Angel, who has won three races from seven starts to date.

Lot 154 is a colt by Holy Roman Emperor, sire of dual Horse of the Year and Caulfield Cup winner Mongolian Khan, out of a half-sister to Natalie Wood – herself a Group Two winner, and the dam of Melbourne Cup runner-up Maluckyday.

Lot 234 is a half-brother to Singapore's champion two-year-old, three-year-old miler and stayer Onceuponatime, who won the Singapore Guineas and Singapore Juvenile Championship.

Lot 422 is out of a sister to the dam of Singapore Derby, Kranji Mile, Merlion Trophy and Moonbeam Vase winner Infantry, while Lot 439 is by Sebring out of a half-sister to the multiple Grade One winner and successful sire Dehere.

"Overall, we're pretty happy with how our draft has come together this year," Crawford said.

"They're ticking along well heading into the sale. The weather has played its part in the last few weeks, which hasn't always been the case.

"We've got a good mixture of stallions in our draft, and hopefully most buyers will find something to suit what they're looking for."

Regal Farm's Ready to Run roll of honour features the Group Two winner and Sydney Cup placegetter Zacada, along with other black-type performers such as Mongolian Wolf, Clarify and Illuminati.

Quality education for your next champion

This is a grand opportunity to obtain a runner of the future.

Mapperley makes Ready to Run return

Mapperley Stud is preparing its first Ready to Run Sale draft for more than half a decade.

The Mapperley name is well-known across Australasia for its stallion roster and yearling offerings, but November will mark its first appearance at Karaka's Ready to Run Sale since 2012.

"We've sold a few two-year-olds in other people's drafts over the last few years, but we've decided to do a draft under our own Mapperley banner this year," owner and general manager Simms Davison said.

A big factor in that decision was their ill-fated stallion Atlante. The New Zealand 2000 Guineas-winning son of Fastnet Rock died in late 2016, having produced just two crops of foals. The oldest are now two-year-olds.

"We've got a couple of nice Atlantes ourselves that we're going to be selling," Davison said. "The feedback

Members of the first crop of the Group One-winning Fastnet Rock stallion Atlante feature in Mapperley Stud's Ready to Run Sale draft.

of Zamzam and Irish Flame. The esteemed family also includes the likes of Listen, One Love, Kildare, Belcentra, Glorious Days, Bangalore Bullet, Spurcent, Sneetch and Black Mamba.

Thunderchine is already a proven broodmare, with seven winners from 10 foals to race including the Group Two winner and multiple Group One placegetter Thunder Lady.

There are a total of five Atlante two-year-olds in the catalogue, with the other three being offered by Diamond Lodge (Lot 33), JC Thoroughbreds (Lot 362) and Windsor Park Stud (Lot 386).

Mapperley will also offer Lot 296, a Sacred Falls colt out of the five-time winning Thorn Park mare Thorn Star. The colt comes from a quality family that features stakes winners such as Greta Hall, Golden Sword, Mulan Princess, Royal Descent, Madam Valeta, Falkirk, Luscilla and Balmoral Keep.

Lot 393 is a Savabeel filly out of Cape Mapperley, who is a winning half-sister to the New Zealand 2000 Guineas winner Magic Cape.

Lot 412 is a colt by Tavistock out of the stakes-placed Volksraad mare Dame Mapperley, dam of Group Two winner Le Baron and the stakes-placed Queen Of Pop. Dame Mapperley is also a full-sister to Volkster, the dam of four-time Group One winner Volkstok'n'barrell.

Completing the Mapperley draft is Lot 419, a colt by He's Remarkable out of the two-race winner Danska Mill. The Danske mare is a half-sister to the stakes winner Sokool (dam of stakes winner So Far Sokool), and is herself the dam of four winners including the Listed winner Pepper Mill.

"It's a small draft, but the quality's there. They're just a really nice bunch of horses."

we've been hearing from people breaking them in and training them has been really positive. It's exciting, and we thought that would make it a good time to get back into the Ready to Run Sale under our own name.

"From what I've been hearing, Atlante might have a few early runners. Hopefully that's the case and they show a bit, and then he might build a bit of momentum heading into the sale."

Mapperley will offer a select draft of five two-year-olds – two by Atlante,

one by fellow Mapperley stallion He's Remarkable, and the others by Sacred Falls and Savabeel.

"I'm really happy with them," Davison said. "It's a small draft, but the quality's there. They're just a really nice bunch of horses."

The first cab off the rank in Mapperley's draft is Lot 29, a colt by Atlante out of the O'Reilly mare Gee Whiz. The dam is a half-sister to Jackofall, who won three races including the Listed Murdoch Newell

Stakes as a two-year-old.

Granddam Wizard Princess is a half-sister to the Gr. 1 Flight Stakes winner Cheeky Choice.

Mapperley's other Atlante colt is Lot 298, out of the Thunder Gulch mare Thunderchine.

Thunderchine is a full-sister to the Group One winner Tully Thunder, who is the dam of this year's Australian Derby winner Levendi, and is a half-sister to Sufficient and the dams

Ready to Run Sale has come a long way

The history of Ready to Run selling in New Zealand is a fascinating one, dating back to the early 1980s and of more recent times ensuring it lives up to its label as the most successful sale of its type anywhere.

Under the auspices of New Zealand Bloodstock predecessor Wrightson Bloodstock, this style of thoroughbred selling began in 1981 under the label "Horses in Training Sale". That inaugural auction took place at Ellerslie racecourse and the venue for both the pre-sale breeze-ups and actual selling underwent a series of changes over ensuing years.

In 1983 and 1984 Te Rapa racecourse hosted both elements and in the next three years the breeze-ups were staged at the former Claudelands harness track and selling at the adjacent sales pavilion. During that era, breeze-ups and selling took place on consecutive days, a pattern that continued with the opening of the Karaka Sales complex in 1988, when the breeze-ups were conducted at a variety of venues ranging from Ellerslie and Pukekohe to the Alexandra Park harness track.

With the sale scheduled in early spring, prevailing weather conditions were a challenge in finding a suitable breeze-up track, hence the use of all-weather surfaces at Claudelands and Alexandra Park.

Amongst the various styles of thoroughbred selling, none has been more innovative as it has gathered momentum and significance on the annual sales calendar. The introduction of timing of the final 200 metres of each breeze-up and then video recording, blood testing, radiographing of limbs and post-sale endoscopic examination embraced all available technologies for the benefit of vendors and buyers.

"I remember when we brought in videoing of the breeze-ups," recalls NZB operations manager James Jennings. "Back then we were still staging the breeze-ups immediately before the sale and we

"We managed to fine-tune it to what it is now, and I'd say we've got it right."

would pull together the VHS package and deliver it that night to the various buyers at their hotels around Auckland."

That process was made a whole lot easier in 1997 when the sale was rescheduled to November, enabling the breeze-ups to take place a month beforehand and with that, ample time to distribute the VHS videos which in time gave way to a CD-Rom that was also available through the NZB website.

Someone with an even longer history of thoroughbred selling is NZB's international bloodstock manager John Cameron, who has witnessed every stage of the Ready to Run Sale's development from its earliest days.

"It wasn't easy back in the 1980s but over the

years we managed to fine-tune it to what it is now, and I'd say we've got it right," commented Cameron. "Running the breeze-ups on a good track, with the horses handled by experienced riders and showing their paces, then for the buying bench being able to analyse each breeze-up ahead of the sale, that's a system that works very well.

"Initially this style of selling was designed for the Asian market – buyers who were looking for an early return with horses that were well on the way to becoming racehorses. That's changed though, with the success of sale graduates not just in Asia but also Australia we've seen a change in the buying bench.

"More and more Australian buyers have become involved, they've recognised the strength of the catalogue each year, what the sale has to offer."

Cameron identifies another important element in making the Ready to Run Sale the success it is. "Without a doubt our vendors and the people preparing the horses have played a big part," he says. "They know the sort of horse that this market wants and most of all they know how to prepare them.

"After attending the latest breeze-ups that's obvious again. On paper the catalogue looked very good and watching the horses go out on the track, there's any number of lovely individuals to choose from.

"I like what I've seen and looking across the whole catalogue I'm sure there's a range of price brackets but high quality across all those ranges."

Prima Park results put focus on another quality draft

Prima Park Lots 77 and 67, by Charm Spirit and Holy Roman Emperor, breeze-up stylishly.

In a short time Prima Park has built a high profile on the thoroughbred sales landscape, and that will be enhanced by another quality draft going forward to the 2018 Ready to Run Sale.

Originally operating out of a South Waikato property, the Van Dyk family's base is now in thoroughbred heartland at Mystery Creek, near Cambridge, where they have developed a purpose-built sales preparation and agistment business from a bare block of land purchased in 2016.

The previous year had provided a breakthrough on two fronts for Prima Park, beginning with the best vendors' average at the Karaka Premier Yearling Sale and followed by the same status on the Ready to Run Sale averages' table. As relative newcomers to the thoroughbred sales game, that gave Leighton and Louise Van Dyke and their daughter Kelly a massive confidence boost in cementing their place in the bloodstock industry.

Just as importantly, graduates of Prima Park drafts have gone on to perform, as underlined by Debt Collector and Beat The Clock. Thorn Park colt Debt Collector, bought as a Karaka Select yearling for \$30,000 from breeders Windsor Park Stud and pinhooked at \$120,000 to Singapore trainer Cliff Brown, became Singapore Horse of the Year in 2016 with a sequence of wins headed by the Raffles Cup, Kranji Mile, Jumbo Jet Trophy, Singapore Guineas and Singapore Classic.

His form last year, when he contested the Dubai Duty Free at the Dubai World Cup carnival, was not up to that standard, but just lately he has bounced back with a second Raffles Cup win in September, followed last weekend by victory in the Queen Elizabeth II Cup at Kranji.

Beat The Clock, a Hinchinbrook colt sold by Prima Park at the 2015 Ready to Run Sale for \$200,000 to Australian agent Bill Mitchell, has won six times in Hong Kong from the John Size stable. His best win to date came in the Gr. 2 Hong Kong Sprint Cup, while he has been placed in another four stakes events.

"Getting good results in the ring and then to see our horses perform so well on the track is very satisfying," says Kelly Van Dyk. "I think the stats tell the story – we've had wins in every market we've sold to – Australia,

Hong Kong, Singapore, Macau and of course New Zealand.

"Then to see people who have bought from us in the past keep coming back, that's another big plus."

The Van Dyks don't take all the credit for what they've achieved to date, with the likes of bloodstock consultant Michael Wallace and in the case of their breeze-up horses, horsemen of the calibre of Mark Brooks and Jeremy Whale, being key to the overall operation.

"I think this year's draft breezed up the best ours ever have," added Van Dyk. "They all ran up in smart time and did it well, so that's down to the wonderful job that Jeremy and Mark did for us."

"Michael Wallace and his team have assisted us from the time we started preparing horses for sale. There's no-one better as far as we're concerned, he attends all the sales in Australia and New Zealand, plus he's always on the lookout for young horses that we might be able to buy out of the paddock."

There are two sides to Prima Park's client base, with growing demand also from those wanting to have their horses prepared for sale. "With the development of our new property

and the extra scope it gives us, this is the first year we've really opened up the doors and give us a very good mix of our own and clients' horses."

A brother to Queensland Derby winner Brambles and fellow stakes-winning Savabeel geldings Lincoln Blue and Lopov is Lot 199 in the Prima Park draft, along with another Savabeel colt, Lot 320, from the Group Two-winning O'Reilly mare Villifye.

"Having a couple of Savabeels in the draft is a big plus, and we've also got a number of high-profile stallions represented – Not A Single Doubt, All Too Hard, Pins, Tavistock, Choisir and Per Incanto," added Van Dyk.

"Two colts going through early in the sale (Lots 67 and 77) by Holy Roman Emperor and Charm Spirit breezed up in very good time. They're both great types, but I'd have to say the same about all 19 we're putting through – they've all been selected as ideal for this sale and we're confident buyers will agree."

"Then to see people who have bought from us in the past keep coming back, that's another big plus."

Prima Park's Kelly Van Dyk with Ready to Run Sale Lot 106, the Husson-Lohan colt.

Ready to Run 2YOs a chance in the \$1m Karaka Million 2YO

“I love buying a yearling knowing that it can race for a million dollars within 12 months, and another million dollars as a three-year-old.”

Avantage is the second consecutive Karaka Million 2YO winner purchased from the previous year's National Sale by David Ellis.

Ready to Run 2YOs a chance in the \$1m Karaka Million 2YO

When next January rolls around the lights will come down on New Zealand's richest race meeting of the year, the Karaka Million Twilight meeting at Ellerslie Racecourse.

Scheduled for Saturday 26 January, the six-race programme will feature the \$1 million Karaka Million 2YO and the \$1 million Karaka Million 3YO Classic, along with the \$100,000 CollinsonForex Karaka Cup and a further three Group features.

The thrilling late afternoon of racing kicks off on the eve of the National Yearling Sales Series – where the journey for these talented thoroughbreds contesting two million dollar features begins.

With the gavel knocked down, buyers of yearlings at Karaka have the choice to nominate their purchase for the series and in just 12 short months they can compete for a share in \$1 million.

Twenty-eight of these Karaka Million-nominated horses are set to make a second sale ring appearance at NZB's Ready to Run Sale of Two-Year-Olds. This will be the last chance to secure

a prospective runner in the 2019 \$1m Karaka Million 2YO.

With New Zealand-bred horses renowned for dominating the classic races, a second effort at \$1 million will be available with the 2020 Karaka Million 3YO Classic.

The lucrative series has appealed to many buyers with the number of nominated yearlings continuing to grow each year. Te Akau Racing's David Ellis, who was the leading buyer at Karaka 2018 including the top-priced yearling, nominates every single yearling.

“I love buying a yearling knowing that it can race for a million dollars within 12 months, and another million dollars as a three-year-old – that has huge appeal to my owners,” he said.

Ellis has purchased, and raced in the tangerine colours, the last two Karaka Million 2YO winners in Avantage (Fastnet Rock) in 2018 and Melody Belle (NZ) (Commands) in 2017.

Ready to Run Sale hot property for vendors

The relatively short 38-year history of NZB's Ready to Run Sale has seen rapid growth in both Group One success and record-breaking results.

Following a similar upward trajectory are a number of highly skilled horsemen and women, for whom the breeze-up marketplace is the stage of choice for showcasing their pinhook purchases.

Listed below are 10 two-year-olds who have been purchased as weanlings and/or yearlings and are now set to walk through the auction ring again on 21 & 22 November:

Kaipira Lodge's Lot 6 is a gelding by Proisir. Out of a sister to multiple Group One winner Shuka, he was purchased as a weanling at the Karaka May Sale for \$21,000 by Hallmark Stud, who then sold him as a yearling at Book 2 for \$90,000 to Tartan Meadow Bloodstock.

Kaipira Lodge's Lot 41 is a colt by Shamexpress. A direct descendant from Gr. 1 South Australian Oaks winner Larrocha, he was purchased by Golden River Investments as a yearling at Book 1 for \$50,000.

Ohukia Lodge's Lot 70 is a colt by Iffraaj. Out of the Group Three-winning

mare Just A Dream, he was purchased by Steven Cole as a yearling at Book 2 for \$50,000.

I.G. & S.A. Wright Partnership's Lot 99 is a gelding by Showcasing. A half-brother to Gr. 2 Wellington Guineas winner The Justice League and Group Two placegetter Vive la Difference, he was purchased as a weanling at the Karaka May Sale for \$5,500.

Regal Farm's Lot 166 is a colt by Dalghar. From a European stakes-winning family, he was purchased by Zheng Man as a yearling at Book 3 for \$26,000.

Kiltannon Stables' Lot 173 is a colt by Charm Spirit. A direct descendant of four-time Group One winner and Queensland Oaks winner Giovana, he was purchased by CB Bloodstock as a yearling at Book 1 for \$55,000.

Diamond Lodge's Lot 284 is a colt by Tavistock. Out of the stakes-performed Zabeel mare Sursum Corda, he was purchased by Phill Cataldo Bloodstock and Jen Campin as a yearling at Book 1 for \$40,000.

Ohukia Lodge's Lot 324 is a filly by Shamexpress. Out of a sister to Group Two winner Te Akau Rose, she was purchased by Michael Kent

Ohukia Lodge's Iffraaj-Just A Dream colt will be pinhooked as Lot 70 at the Ready to Run Sale after being purchased for \$50,000 at the National Yearling Sale.

Bloodstock as a yearling at Book 2 for \$15,000. \$22,000.

Kilgravin Lodge's Lot 416 is a gelding by Per Incanto. Out of the stakes-placed mare Dandee Topwin, he was purchased by the farm as a weanling at the Karaka May Sale for

JK Farm's Lot 433 is a gelding by Redwood. From the family of Group One winner Music Magnate, he was purchased by Ric Wylie Bloodstock as a yearling at Book 1 for \$45,000.

Waikato Stud connection key for Ohukia Lodge

Ohukia Lodge's pair of Savabeel colts, Lots 127 and 180, breeze up in slick time.

“It’s great to have those Savabeels in there, they’re a great asset for any sale.”

Jamie Beatson and Chanel Archer’s Ohukia Lodge will offer a quality draft at next month’s Ready to Run Sale at Karaka, including a select group of two-year-olds from powerhouse nursery Waikato Stud.

“We’re selling some beautiful two-year-olds for Waikato,” Archer told The Informant. “It’s a great relationship for us to have – they’re lovely horses, and lovely people to work with.”

Two of the Waikato Stud contingent, both Savabeel colts, recorded the fastest breeze-up times in the catalogue at 10.07 and 10.09.

“Jamie and Chanel from Ohukia Lodge have done an excellent job with our horses and we were rapt that two of our Savabeel colts breezed in the two overall fastest times,” Waikato Stud’s Mark Chittick said. “Really looking forward to the sale next month.”

The faster of the two was Lot 127, out of the O’Reilly mare Maxmara. The dam is a full-sister to the Group One-placed Salsa, with stakes winners Somepin Anypin, Rules Of Engagement and Diamond King also featuring prominently in the pedigree. Another close relative is the highly talented Waikato Stud mare, recently a runner-up in the Gr. 3 Spring Sprint at Hastings.

Lot 180 is out of another O’Reilly mare, Pander, who is a half-sister to the decorated stayer Precedence – winner of 10 races, six at stakes level including two Moonee Valley Cups. He earned more than A\$1.95 million in prize-money.

The second dam Kowtow is a half-sister to Upstage, the dam of multiple Group One winner and leading sire Tavistock.

A total of six sons of Savabeel feature in Ohukia Lodge’s draft, which numbers 30 overall. The other stallions represented are Proisir, Pins, Shamexpress, Ocean Park, Dawn Approach, Ocean Park, Tavistock, Sacred Falls, Smart Missile, Jakkalberry, Written Tycoon, Dundee, Iffraaj, Rock ‘N’ Pop, Saperavi, So You Think and Deep Field.

“It’s a lovely range of stallions in our draft this year,” Archer said. “It’s great to have those Savabeels in there, they’re a great asset for any sale. We’ve got some nice Aussie stallions as well, which is great for a sale like this.

“Overall, we’re really happy with our draft this year. It’s a great group of horses. They all breezed up really well and have come through it in great

order. We couldn’t be happier.”

Ohukia Lodge has only featured at the Ready to Run Sale since 2015, when offering 12 horses and fetching a total of \$303,000. That debut offering included Ferrando (bought for \$40,000), who has won at Group Three and Listed level, placed in the Gr. 1 Telegraph at Trentham in January and was back in winning form at Otaki last weekend.

The draft swelled to 21 the following year, with a much higher aggregate of \$957,000 and a top price of \$200,000 for an All Too Hard colt. Named Copper Mine, he has shown well above-average ability and won at Ruakaka during the winter for Catherine Cameron.

However, the undoubted star of the 2016 Ohukia Lodge draft is the Roc de Cambes gelding sold to Phill Cataldo Bloodstock for \$70,000. He was named Vin De Dance and won the Gr. 1 New Zealand Derby at Ellerslie in March.

Ohukia Lodge continued their upward trajectory at last year’s Ready to Run Sale, soaring to an aggregate of \$1.939 million and a fourth-place finish on the vendors’ list. They averaged \$107,722 and had a top price of \$350,000 for an O’Reilly colt out of Metropolitan.

On pedigree, standouts in Ohukia Lodge’s 2018 draft include Lot 200, who is a Proisir half-brother to last season’s New Zealand Bloodstock Filly of the Year Dijon Bleu, and Lot 340, a Deep Field half-brother to dual Group One winner Faint Perfume.

Lot 75, by Tavistock, descends from the multiple Group One winner Our Trislight. Lot 84, by Savabeel, is out of the multiple stakes winner Lady Chaparral. Another Savabeel, Lot 241, is out of a sister to the Hong Kong stakes winner Unique Jewellery.

Lot 179, an Ocean Park colt, comes from the outstanding Waikato Stud family of Glamour Puss, Vision And Power, Glam Slam, Arenti and Crepe De Chine.

Lot 324 is closely related to the unbeaten Melbourne three-year-old Brutal, while Lot 435 is a Sacred Falls half-brother to the highly promising Group Three placegetter Hanger.

SPECIALISED APPROACH BRINGS REWARDS FOR WELLFIELD

Talented galloper Aim Smart is a Ready to Run Sale graduate from Wellfield Stud.

Palmerston North's Wellfield Lodge is a growing player at the Ready to Run Sale and will head to Karaka next month with a quality draft.

After first dipping their toes into the market with an eight-horse offering in 2015, Wellfield has quickly made an impact. Their Ready to Run horses have sold for up to \$200,000, and graduates include the classy Group Three placegetter Aim Smart.

"We're pretty happy with the results we've had at the sale so far – we've sold some nice horses there in the last few years, and they've gone on and performed on the track," stud manager Peter Didham said.

"There's one horse by Teofilo we sold in 2016 (for \$105,000, named Keen). He won twice in Australia for Trent Busuttin and Natalie Young, then he was sold to Hong Kong and he's won another two up there. He's exciting."

Wellfield's increasing focus on the Ready to Run Sale has seen them spreading beyond their home-bred horses and scouting both sides of the Tasman.

"We specifically target this sale," Didham said. "We go out with this sale in mind and try to buy nice young horses. We're looking for nice types, good size and good pedigrees. We think we've pulled together a quality draft this year."

An immediately noticeable feature of the 11-horse draft is the range of stallions represented – Sepoy, Foxwedge, Uncle Mo, Burgundy, Verrazano, Dissident, Per Incanto, Deep Field, Fastnet Rock, Proisir, Rubick and Better Than Ready.

"It's a good spread of sires, and a lot of them are exciting young stallions with a lot ahead of them," Didham said. "Rubick's oldest progeny are two, and he's already had two placegetters in early stakes races in Australia."

"The stocks seem to be pretty high at the moment for the likes of Sepoy, Foxwedge and Dissident as well, so we're happy to be selling their progeny at Karaka."

There are five two-year-olds by Rubick in the catalogue, with Wellfield offering Lot 371 – a colt out of the winning Hussonet mare Barjas. The family features Group One winners Irish Fling and Final Destination, along with the multiple Group winners Society Bay and Society Beau.

First-season sire Dissident was Australian Horse of the Year in 2015 and won five Group Ones. Six of his progeny feature in the Ready to Run Sale

"We're looking for nice types, good size and good pedigrees. We think we've pulled together a quality draft this year."

catalogue, with Wellfield offering Lot 220 from the immediate family of German Group One performer Poseidon Adventure.

American Grade One winner Uncle Mo, the sire of Lot 39, began stud duties in 2012 and has already sired 41 stakes winners, headed by the Breeders' Cup Juvenile and Kentucky Derby winner Nyquist. Wellfield's colt is the only Uncle Mo in the catalogue.

Verrazano, whose oldest southern hemisphere progeny are two-year-olds, was a multiple Grade One winner in the United States and placed in the Gr. 1 Queen Anne Stakes at Royal Ascot. Wellfield will offer Lot 165, one of only two Verrazano progeny in the catalogue.

Another first season sire is the brilliant Australian sprinter Deep Field, who has eight progeny in the Ready to Run Sale catalogue. Wellfield will offer Lot 269, from the family of Golden Slipper winner Mossfun.

"The Deep Field is an outstanding type," Didham said. "He's as good an individual as we've ever bought."

"But in terms of how they've been working, it's hard to single out any standouts. We've got a few different riders who have done the work with these horses, and they've given us great feedback on all of them. They've all shown plenty."

Lot 5 is by Sepoy out of a half-sister to the Group One winner Zip Zip Aray, while Lot 110 is a half-brother to the New Zealand 1000 Guineas placegetter Sweepstake.

Lot 342 is a half-brother to the multiple black-type winner Excelleration. Lot 343 is out of a half-sister to the 2005-06 champion New Zealand two-year-old Jokers Wild.

Tavistock prominent again in Diamond Lodge draft

Cambridge Stud's headline stallion Tavistock played a significant role in the successful Diamond Lodge draft at last year's Ready to Run Sale, and he is set to feature prominently again in 2018.

Diamond Lodge has forged a reputation as one of the leading vendors at the annual Karaka two-year-old sale, and last year was no different. Jeremy Whale's operation finished second on the vendors' list by aggregate, having sold 16 horses for a total of \$2.519 million.

Three of their draft fetched \$300,000 or more, with another two above \$200,000 and five at \$145,000 or more.

A colt by Tavistock fetched the top price in Diamond Lodge's class of 2017. Lot 407, out of the Volksraad mare Tristraad, sold to Hong Kong for \$370,000 – the equal fifth-highest price of the sale.

For good measure another son of Tavistock, Lot 343 (out of the Centaine mare Shartziz), was bought by Phill Cataldo for \$145,000.

Jeremy Whale with one of three Tavistock progeny in Diamond Lodge's Ready to Run draft, the half-brother to New Zealand Derby winner Habibi.

“We had a Tavistock colt that sold really well last year, and our three by that stallion in this year's draft are all really nice horses.”

Diamond Lodge will offer 24 two-year-olds at the 2018 Ready to Run Sale, including three well-bred sons of Tavistock.

“We had a Tavistock colt that sold really well last year, and our three by that stallion in this year's draft are all really nice horses,” Whale said. “A couple of them are out of Zabeel mares, and obviously that's a proven cross. The other one is a half-brother to the New Zealand Derby winner Habibi.”

The famed cross of Tavistock with Zabeel mares has produced Group One winners Tarzino and Werther, along with the other black-type performers

Hasselhoof, Pacorus, Gobstopper, Milseain, Imperial Lass, Diamond Valores and Tessastock.

The first of Diamond Lodge's Tavistock two-year-olds this year is Lot 217, out of the stakes-winning Zabeel mare Ritzy Lady. She won six races including the New Zealand St Leger, and she is already the dam of two winners from two foals to race. La Societe has won three races and placed in two stakes events including the Gr. 3 Cockram Stakes in Melbourne.

Lot 284 is out of the Zabeel mare Sursum Corda, who won five races and placed in the Gr. 1 New Zealand Oaks and Gr. 3 Trentham Stakes. She is a full-sister to the Group One winners St Reims and Champagne, and a three-quarter sister to the New Zealand Broodmare of the Year Imposingly, who is the dam of Bonneval, Full Of Spirit, Imposing Lass and Lady Cumquat.

Sursum Corda is the dam of eight foals to race, six of them winners. Penny Lane has won six races in Hong Kong, Toni May has won five in Australia, and Onecatstoomany and Straveen won seven between them.

Lot 417 is out of the Danasinga mare Danny Holiday, the dam of two winners. Honest won twice in Singapore, while Habibi won seven including the Gr. 1 New Zealand Derby, Gr. 2 Great Northern Guineas and Gr. 2 Championship Stakes. She was also Group One placed in Sydney and in Canada, and a Listed winner in Canada.

Diamond Lodge's draft also features the progeny of Shooting To Win, Rubick, Atlante, Hallowed Crown, Rip Van Winkle, Savabeel, Dawn Approach, Sacred Falls, Ocean Park, Pins, Deep Field, Mossman, Reliable Man, Ferlax, Darci Brahma, Wandjina and Jimmy Choux.

Lot 189, by Ocean Park, is out of the Group One-winning Centaine mare Pernod. Lot 215 is a Deep Field half-brother to the black-type performer and producer Valpolicella. Lot 381 comes from the well-performed family of Sharvasti, Bhandara and Shastri.

“I'm really happy with our draft this year,” Whale said. “It's a nice spread of horses – a really good range, from sprinting types to stayers. There should be a bit of something for everyone.”

**CAMBRIDGE
EQUINE HOSPITAL**

We are a team of highly qualified equine veterinarians, including a registered Specialist in Equine Surgery with extensive experience.

We provide the highest quality of first opinion, emergency, and referral services for all horses and ponies, from the paddock pet to the elite athlete.

Our routine hours of operation are from 8am to 5pm Monday to Friday, with our reception also open on Saturday from 8am to 11am.

Derby win a factor in The Oaks Stud's Ready to Run return

Respected nursery The Oaks Stud makes a welcome return to the vendors' list for this year's Ready to Run Sale at Karaka, thanks in part to the result of this year's New Zealand Derby.

The Ellerslie classic was won by Vin De Dance, a son of The Oaks stallion Roc De Cambes. The Derby hero was a \$70,000 purchase from Ohukia Lodge's draft at the 2016 Ready to Run Sale.

"It was a big thrill to see a Derby winner for Roc De Cambes this year, and obviously he came out of this sale," The Oaks Stud general manager Rick Williams said.

"We'll go along there next month with a few nice two-year-olds by Roc De Cambes. We'll put them in front of the buyers, and hopefully they'll like what they see.

"He's had two Group One winners now (Vin De Dance and He's Our Rokkii) from under 100 runners. He's never had the numbers, but he's certainly proven he's a Group One-quality stallion.

"We didn't sell at the Ready to Run last year, but we're looking forward to taking a draft there this time. It's a sale that's rapidly growing, and in terms of results it's probably been one of the best in the last decade.

"I think Asian buyers in particular love the concept, and so do a lot of buyers from Australia. Personally I prefer the yearling sales, but this is a concept that suits a lot of people. You have to

try to cater for what the buyers are looking for."

The Oaks Stud will offer 10 two-year-olds at next month's sale – five by Roc De Cambes, two by Darci Brahma, two by Redwood and one by Niagara.

"It's a nice group of horses and I quite like the Niagara in particular," Williams said.

The Niagara colt is Lot 229, out of the Sakhee's Secret mare San da Secret – an unraced half-sister to the multiple black-type performer Our Bee Jay.

The Oaks Stud has sold successfully at the Ready To Run Sale in previous seasons, including in 2014 when they sold a gelding by Bachelor Duke out of Bianca Bay for \$65,000. Named Dukedom, he won the Gr. 1 Levin Classic at Trentham the following season.

This year's draft features a Redwood half-brother to Dukedom, going through the ring as Lot 382.

"We're selling that colt for a client," Williams said. "He's a nice horse. Redwood's had a really good trot in Australia of late, which hopefully will bode well for his progeny at this sale."

Lot 100 is a Roc De Cambes colt with a classic pedigree, coming from the same family as the Victoria Derby winner Brewery Boy, although another relative, Lygon Arms, won the Gr. 1 Doncaster Handicap and placed in a Golden Slipper.

Lot 133 is another son of Roc De Cambes, this time out of Memory Lane – an unraced daughter

of Epsom Derby winner Authorized. Memory Lane is a blood sister to the Gr. 1 Spring Champion Stakes winner and young Mapperley Stud stallion Complacent.

The granddam Nostalgic is a half-sister to Dracula, winner of the Gr. 1 AJC Champagne Stakes and George Main Stakes and QTC Sires' Produce Stakes.

Lot 311 is out of the stakes-winning Woodborough mare Ultra Vires, who is the dam of two winners including the stakes-placed Windwhistle.

The last of the Roc De Cambes colts is Lot 364, out of the New Zealand Oaks placegetter Aurora Lights. A daughter of Darci Brahma, Aurora Lights is also a sister to the Queensland Derby placegetter Westsouthwest.

Resident stallion Darci Brahma, who had another outstanding season in 2017-18, is represented by Lot 313, a colt out of the Group One placegetter Upstaged, dam of Group Two placegetter Pemberley and Listed placegetter Outshine, and Lot 438, a colt out of a three-quarter-brother to the Group Three winner and Caulfield Guineas-placed Pure Theatre.

Completing The Oaks Stud's Ready to Run draft is Lot 355, a colt by Redwood out of Anna Kaye, who is a half-sister to the Gr. 1 ARC Railway Stakes winner Fleur De Lune.

The New Zealand Derby victory by Roc De Cambes gelding Vin De Dance has put the spotlight on The Oaks Stud's Ready to Run Sale draft.

“It was a big thrill to see a Derby winner for Roc De Cambes this year, and obviously he came out of this sale.”

Pedigree updates boost Ready to Run Sale catalogue

mare Tennessee Midnight, who is the second dam of this Sepoy colt in the Ready to Run Sale catalogue.

Lot 424 is a close relative of Hiflyer, who placed in the Gr. 1 Tarzino Trophy at Hastings in September, while Lot 187 is from the same family as Miss Fabulass, who made a big impression this spring with a win in the Gr. 2 Tea Rose Stakes and a close fourth in the Gr. 1 Flight Stakes.

Ready to Run Sale Lots 306 and 398 are from the same family as Melt, whose impressive spring form has featured a dominant win in the Gr. 3 Northland Breeders' Stakes and a second placing in the Gr. 2 Hawke's Bay Guineas. She is currently second favourite for the Gr. 1 gavelhouse.com

Two horses in this year's catalogue are closely related to the incomparable Winx

A half-brother to Group One winner Shillelagh will be offered as Lot 307 in the Surrey Farm draft.

Recent race meetings around the world have provided several significant pedigree updates to the 2018 Ready to Run Sale catalogue, including more than a dozen Group One wins or placings.

Lot 223, Anzac Lodge's Deep Field-Rosetta Stone gelding, is scheduled to go through the ring as the third lot on the second day, is closely related to Best Solution, who has won two Group Ones since the catalogue went to print. In September the Godolphin five-year-old won the Grosser Preis von Baden Baden in Germany and in his first start at the Melbourne spring carnival scored a thrilling win under topweight in the Caulfield Cup. The second dam of Lot 223, the stakes winner and prolific producer Eva Luna, is third dam of Best Solution.

Another member of the family, Current, has won twice in recent weeks – a maiden and the Gr. 3 Bourbon Stakes.

Lot 321, a colt by Per Incanto out of the Mark of Esteem mare Virginia Key, is closely related to the Frankel gelding Call The Wind. The four-year-old had no black type when the catalogue went to print, but then he won the Gr. 1 Prix du Cadran during the Prix de l'Arc de Triomphe meeting at Longchamp.

Virginia Key is a half-sister to Call The Wind's dam In Clover, who has also produced Group One winners With You and We Are, along with the other black-type winners Dream Clover and Incahoots.

Another son of Per Incanto, Lot 416, is from the same family as Havana Grey, who scored his first Group One win in the Flying Five at Leopardstown. The three-year-old colt has won four other black-type events.

Lot 99 is from the same family as Godolphin star Kementari, who has been prominent at Group One level this spring with a second in the Memsie Stakes and fourth in the Makybe Diva Stakes.

Two horses in this year's catalogue are closely related to the incomparable Winx, who has extended her winning sequence to 28 in a row with recent Group One victories in the George Main Stakes and Turnbull Stakes.

The first Winx relative is Lot 143, whose dam

Miss Bluebell is out of Operavega, a half-sister to the great mare's NZ-bred dam Vegas Showgirl. Lot 176 is an even closer relation, being by Iffraaj out of Operavega.

Lot 258 is from the same family as Mendelssohn, who made a huge impression with his 18-length win in the Gr. 2 UAE Derby earlier in the year. He added a recent Grade One placing to his CV in the Jockey Club Gold Cup at Belmont Park.

Lot 291 is closely related to Seabrook, who has followed her outstanding two-year-old season with recent placings in the Gr. 1 Thousand Guineas and Gr. 3 McNeil Stakes. Seabrook won the Gr. 1 Champagne Stakes at Randwick in the autumn. She descends from the stakes-winning Danehill

New Zealand 1000 Guineas.

Lot 307 is a half-brother to the star New Zealand-bred and owned mare Shillelagh, who has already proven her Group One credentials with a victory in last year's Kennedy Mile (Cantala Stakes). She has run fast-finishing fourths over 1600 metres in this spring's Epsom and Toorak Handicaps, hinting at further Group One impact before the end of the Victorian spring carnival.

Lot 324 is closely related to the exciting Australian three-year-old Brutal, who is now unbeaten in three starts after his last-start win in the Listed Antler Luggage Plate. Wyndspelle, who placed in the Gr. 1 Windsor Park Plate at Hastings, also comes from this family.

Lot 333 is out of a sibling to Bobby Dazzler, who won the Listed Wanganui Guineas in September.

The Caulfield Cup win by Best Solution puts the spotlight on his close relation, Anzac Lodge's Deep Field colt, Ready to Run Sale Lot 223.

Westbury Stud stallion success timely in Ready to Run countdown

pedigrees and amongst them are several by the internationally proven former shuttler Makfi. Lot 109 is out of the high-class Redoute's Choice mare Lotteria, who won eight races including the Gr. 1 Myer Classic and Flight Stakes and the Gr. 2 (now Gr. 1) Surround Stakes. She is the dam of three foals to race, all winners.

Another who lacks nothing on the score of pedigree is Lot 383, a Makfi colt out of Bislieri, making him a brother to the Australian Oaks winner and New Zealand Bloodstock Filly of the Year Sofia Rosa.

Lot 423, by El Roca, is a half-brother to the multiple Group Two winner and Group One-placed Fontelina.

"The El Roca two-year-olds in our draft have impressed us a lot," Warwick said. "They're very nice horses."

"When our horses are weanlings we highlight the ones we think will be suited to the Ready to Run Sale rather than the yearling sales."

Westbury Lot 379, the good-looking Redwood-Bellezza colt, breezes up for Shaun McKay.

Strong spring results for Westbury Stud stallions have provided a timely boost in the countdown to the Ready to Run Sale at Karaka.

Redwood has led the charge, siring 12 winners since August 1 including a quinella in the Gr. 3 Naturalism Stakes at Caulfield with Night's Watch and Rising Red.

On the New Zealand front, Livin' On A Prayer has had a win and two placings, including a recent runner-up finish in the Gr. 3 Taranaki Breeders' Stakes at Hawera.

In the same period, shuttle stallion Reliable Man has been represented by 10 winners in the southern hemisphere. Reevederci also placed behind top three-year-olds Melt and Madison County in the Gr. 3 Northland Breeders' Stakes, while Sully was a close second in the Listed Cranbourne Cup.

Swiss Ace has churned out winners at his usual rate, with 16 so far this season including the Gr. 2 Foxbridge Plate and Gr. 3 Sweynesse Stakes placegetter Julius. First season sire El Roca has made an encouraging start with his only runner to date, First Rock, placing in both starts.

"The stallions have been going well, and hopefully that will create a bit more interest in their progeny at the sale," Westbury's general manager Russell Warwick said.

"Redwood in particular has been going exceptionally well. To be the sire of one of only two New Zealand-breds in the Caulfield Cup field (Night's Watch) is a terrific achievement."

Westbury Stud will offer 35 yearlings at the 2018 Ready to Run Sale – an increase on their drafts of 32, 20, 18 and 10 in the previous four years.

"We've managed to put together quite a strong draft this year," Warwick said. "We're quite selective. When our horses are weanlings we highlight the ones we think will be suited to the Ready to Run Sale rather than the yearling sales."

"Some horses benefit from being given a bit more time – it gives them a bit longer to mature."

Westbury's draft features some Group One

"We've also got some lovely Redwoods. One of them is out of the Zabeel mare Belleza (Lot 379). He's an outstanding individual and looks like a real typical New Zealand staying type."

"Another one by Redwood, out of the Encosta De Lago mare Encosta De Nacre (Lot 7), goes particularly well and has shown us a lot."

Lot 201, by the dependable Westbury sire Swiss Ace, is a half-brother to Shine, who scored a runaway win at Tauranga earlier this month.

Russell Warwick is confident this year's Ready to Run Sale draft from Westbury Stud will appeal to the buying bench.

Chrissy Bambury with Mangatiti Bloodstock's Ocean Park-Acquisto gelding.

Boutique operation Mangatiti presents another quality draft

The Bambry family will return to Karaka next month with their 11th Ready to Run Sale draft under the Mangatiti Bloodstock banner.

The Manawatu farm is owned by successful trainer Tony Bambry and his wife Judith. Their daughter Chrissy is a key part of the operation, bringing wide-ranging credentials.

"I've gained a huge amount of sales-prep experience through my 17 years working for Gordon Cunningham at Curraghmore, it's been really valuable," said the 31-year-old, who has also worked in England and at Three Bridges in Victoria.

"Our family operation has been selling horses at the Ready to Run Sale for quite a few years now,

"We decided to withdraw Lord Turbo from the sale that year because he was just a little bit small," Bambry recalled. "He was the mare's first foal, and he was a late foal. He just needed more time."

Retained by Tony and Judith Bambry and trained by Tony, Lord Turbo won all of his first three starts

in 2013 including the Listed Wanganui Guineas. He was an unlucky fourth in both subsequent New Zealand starts, the Gr. 2 Hawke's Bay Guineas and Wellington Guineas, before being sold to Hong Kong.

The Bambrys then watched with pride as Lord Turbo won another four races in Hong Kong, earning his new owners more than HK\$4.7 million (NZ\$910,000).

"He gave us all a lot of thrills," Chrissy Bambry said. "He's retired now and is actually back on our farm now. It's great to have him back with us."

Mangatiti will offer four horses at this year's Ready to Run Sale – two by Ocean Park, and one each by Burgundy and Ghibellines.

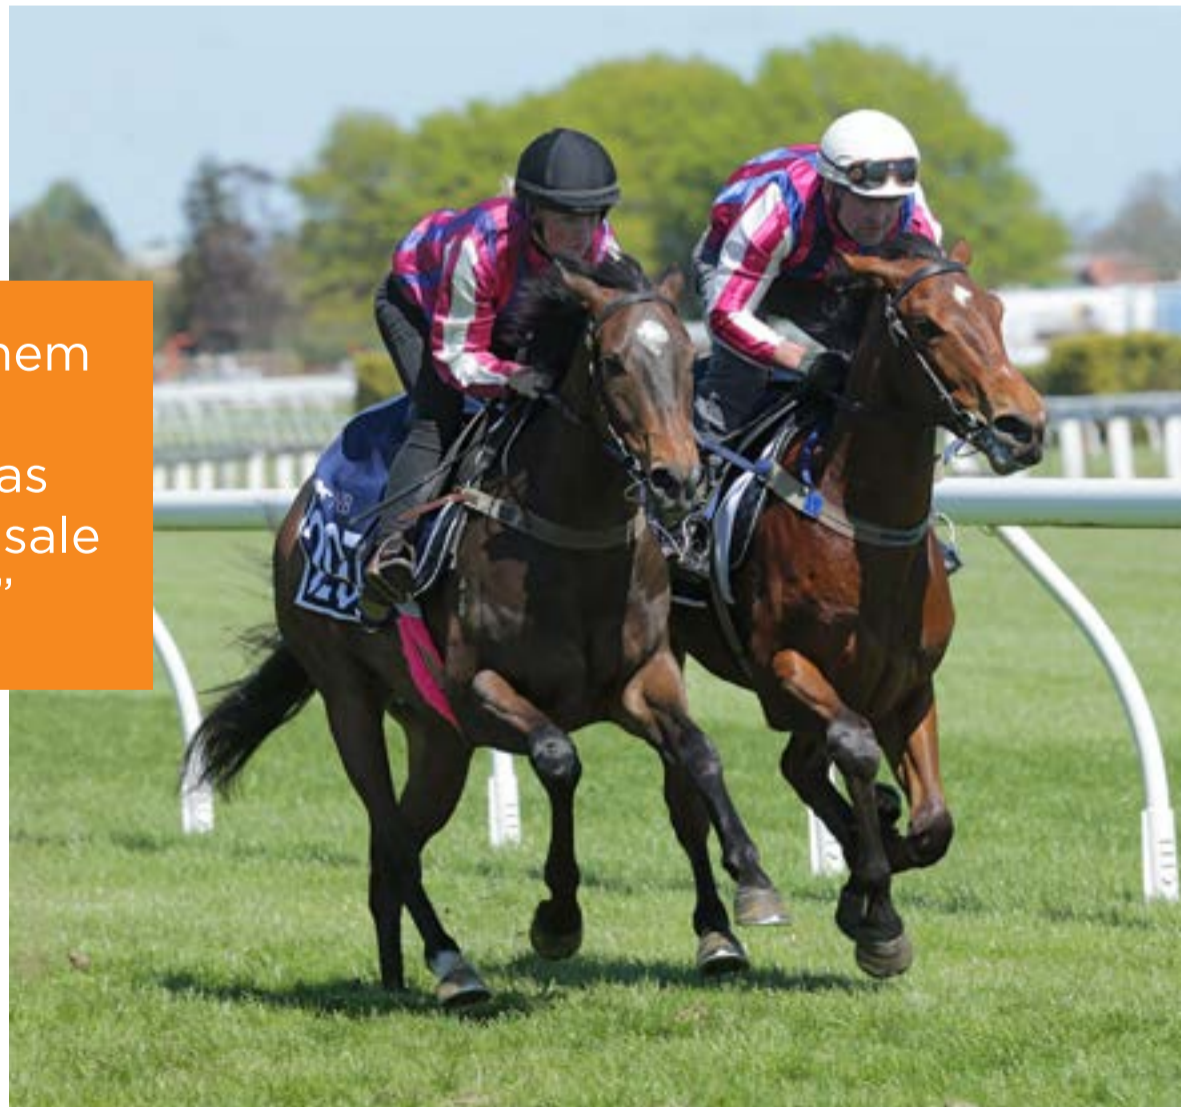

"It's a lovely group of horses," Bambry said. "We bred one of them ourselves, and the others we bought as yearlings with this sale especially in mind."

The Mangatiti-bred offering is Lot 344, a gelding by Ocean Park out of the Thewayyouare mare Acquisto. Tony Bambry trained Acquisto to win three races and place in the Listed Wanganui Guineas. This is her first foal.

Lot 64 is by Ghibellines out of the O'Reilly mare Irish Magic, whose three foals to race have all been winners. Heez Born Lucky placed in the Gr. 3 Tasmanian Derby. The Bambrys bought this gelding for \$21,000 at this year's May Sale.

Lot 297 is a Burgundy gelding out of the Pentire mare Threepence, who is a half-sister to Auckland Cup winner Titch and stakes placegetters Soph and Streets Away. Soph is the dam of highly talented stayer The (Lord) Mayor, who ran fourth in the New Zealand Derby earlier this year. The Bambrys recruited this youngster from the Book 2 sale for \$35,000.

Completing the draft is Lot 299, by Ocean Park out of the O'Reilly mare Tick Tock. A half-sister to the stakes placegetter Splitsecond, Tick Tock is from the family of Group One winners Sixty Seconds, Xtravagant, Legs and Guyno. This gelding was a \$40,000 purchase from Book 1 in January.

Mangatiti Bloodstock Lots 297 and 344 show their paces at the Ready to Run breeze-ups.

“We bred one of them ourselves, and the others we bought as yearlings with this sale especially in mind.”

and we're looking forward to it again this year. We usually put the colts and geldings up for sale, and we keep the fillies and race them ourselves."

Seven two-year-olds from Mangatiti's Ready to Run drafts have fetched \$100,000 or more, headed by a \$170,000 High Chaparral gelding in 2009. While they have never offered more than seven horses in a single draft, their graduates have combined to win more than 30 races over the last decade.

But their biggest success story was a Perfectly Ready gelding who was withdrawn from their 2012 draft.

At the Breeze-Ups

Left:
 Riverrock Farm's Chad Ormsby (right) puts his trusty Clydesdale to good use as he and Jason Waddell prepare to breeze-up at Te Rapa.

Below:
 All the threes: Kilmore Farm's Showcasing-Zaballet filly takes it all in her stride.

Above:
 Kilgravin Lodge's Eion Kemp goes about business at the Ready to Run Breeze-ups.

Right:
 A showy pair from Riversley Park.

Insurance[®]

GROUP ONE INSURERS

NZB Insurance has a long established history of protecting the interests of major racing and breeding establishments, both domestically and globally. From foals and yearlings to racehorses, broodmares and stallions, clients from all over the world chose us to take care of their equine insurance needs. All of our business is placed with established syndicates at Lloyd's Underwriters in London or Liberty Mutual European Insurance. Our policies include 12 month or 18 month options.

Insurers of Group One winners Avantage, Beauty Generation, Bonneval, Embellish, Lizzie L'Amour, Melody Belle, Savvy Coup, Trapeze Artist and more!

Proud sponsor of the NZB Insurance Pearl Series, supporting fillies and mares racing in New Zealand.
