VETERINARY ENDOSCOPE REPORT

Re: 22GNY – 0018 Belardo – Cherry Vain '20
Microchip: 985125000119913

Endoscopic Examination and opinion thereof:

An endoscopic examination of the laryngopharyngeal area was performed at rest on 14 April 2022.

The arytenoids were synchronous in their movements and full abduction was easily achieved (Lane Grade I). This finding is within normal limits.

No abnormalities were noted and the horse complies with Para 7.7 of the Gavelhouse terms and conditions of sale

Neil Houston BVSc MACVSc

This report and the findings contained herein are solely for the addressee and may not be used or relied upon by any other person or entity without the express written consent of Veterinary Associates Equine LP. The interpretation of radiographs and findings may vary with the examiner, method of examination and a horse's changing condition. This is a report of the undersigned's findings on the date indicated.

This report is limited to the findings contained herein and no other findings or opinions should be inferred beyond those expressly set forth herein.

This report does not constitute a warranty or guarantee of any kind.
