### **VETERINARY X RAY REPORT**

Re: 22NYS Lot 0539 Redwood \_Rock On Rye'20

Microchip 985125000120162

I have reviewed these X Rays dated 01 February 2022  
They were of a standard sales series 36 views.

#### **Radiographic findings:**

Both hind fetlocks - small dorsal P1 fragment – low risk. Easily removed with surgery if required.

There were no other significant radiographic changes noted.

Neil Houston BVScMACVSc

This report and the findings contained herein are solely for the addressee and may not be used or relied upon by any other person or entity without the express written consent of Veterinary Associates Equine LP. The interpretation of radiographs and findings may vary with the examiner, method of examination and a horse's changing condition. This is a report of the undersigned's findings on the date indicated.

This report is limited to the findings contained herein, and no other findings or opinions should be inferred beyond those expressly set forth herein.

This report does not constitute a warranty or guarantee of any kind.
