

VETERINARY REPORT

Lot 7

Identification: **Tellmeaboutit – Ace High 2020 filly**
Brands: Left shoulder: RH under curved bar
Right shoulder: 44 over 0
Microchip: 985125000119645
Vendor: Rich Hill Stud

The above-described horse suffered blunt trauma to the right gluteal region approximately 3 weeks ago, which resulted in the development of a haematoma. The haematoma has been managed conservatively and has responded well, with there being no long-term complications to date.

If you require any further information, please don't hesitate to make contact.
