Cambridge Equine Hospital

A division of Cambridge Veterinary Services (1990) Ltd

Certificate of Examination for Pregnancy

This is to certify that on the 13/6/23 (date)

I carried out a ULTRA-SONIC ~~MANUAL EXAMINATION~~ for pregnancy on the BLOOD TEST

Chestnut (colour) mare named Countess Princess

This mare is owned by Rogerson Bloodstock (name and address)

..... and

was branded Cs 62012 (microchip No.) 985100012018322

In my opinion this procedure indicated that the mare was Pregnant on that date ~~Not Pregnant~~

- Notes:
1. It is not possible to detect multiple pregnancies in all cases.
 2. To obtain insurance for the pregnancy these tests must be completed 45 days or more from the last date of service.
