

LOT 213

Certificate of Examination for Pregnancy

Cambridge Equine Hospital

A division of Cambridge Veterinary Services (1989) Ltd

This is to certify that on the 13/6/23 (date)

I carried out a ULTRA-SONIC ~~MANUAL EXAMINATION~~ ~~BLOOD TEST~~ for pregnancy on the

BAY (colour) mare named La Cofradia

This mare is owned by Trelawney Stud (name and address)

..... and

was branded P 8 29ov 7 (microchip No.) 985125000099670

In my opinion this procedure indicated that the mare was Pregnant on that date ~~NOT Pregnant~~

- Notes:
1. It is not possible to detect multiple pregnancies in all cases.
 2. To obtain insurance for the pregnancy these tests must be completed 45 days or more from the last date of service.
