VETERINARY REPORT

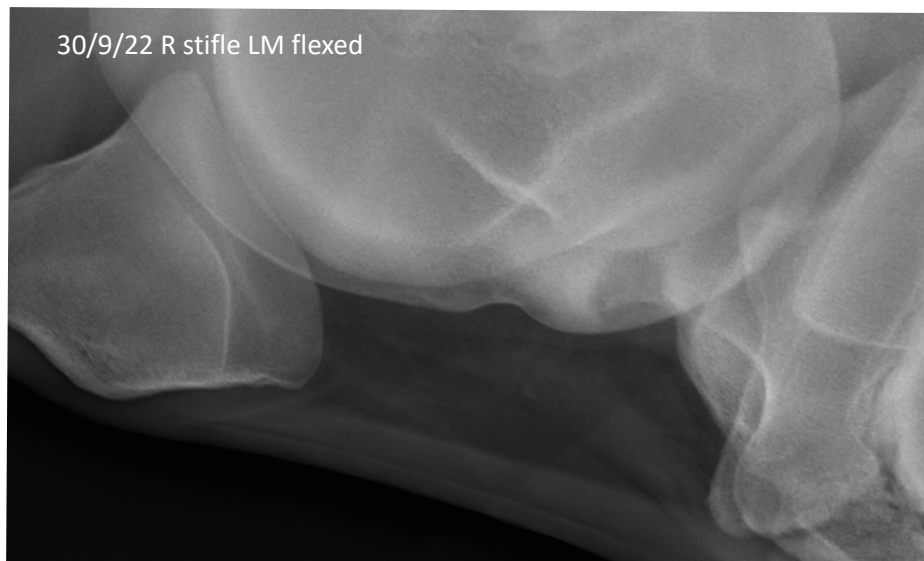

Re: The 2021 Thoroughbred gelding TOO DARN HOT / PODRAVINA
Brands: Left shoulder – V in box Right shoulder – 21 over 1
Microchip: 985125000126615
Lot 184 Karaka 2023 Ready-to-Run Sales – Prima Park Draft

Radiographic images of the right stifle from 19/7/22 and 30/9/22 have been included in this report for reference and context to the current radiographic sales series. Radiographic images of the left stifle were unremarkable on 19/7/22 so no subsequent images were obtained but the pattern of pathology is likely to be similar. DICOM images can be made available to interested veterinarians on request.
